2010 Legends & Legacies: Windy City Wonders **Vehicle Nomination Information**

Thank you for your interest nominating your vehicle for the 2010 Barrington Concours d'Elegance event, *Legends & Legacies: Windy City Wonders*.

EVENT OVERVIEW

This year's event will be held on Sunday, July 11, 2010. The show is a one-day charity benefit featuring a late-morning Road Rally and an evening Cocktail Gala on the lawn at Makray Memorial Golf Club in Barrington. The dinner will feature a display field of 40 of the region's most stunning automobiles and motorcycles (see below for selection criteria). The vehicles will be displayed at the private dinner portion of the benefit, where we anticipate 350 people in attendance.

THE CHARITIES

This year, all proceeds from the event will go to the Barrington Area Conservation Trust. Each exhibitor will receive one free ticket to the Road Rally and Dinner (a \$175 value). We kindly ask that you purchase tickets for all others attending with you so that we may continue to direct all the event's proceeds to our charity.

SHOWFIELD SELECTION CRITERIA

We will be selecting vehicles in the following categories to make up our showfield of 40 automobiles and 10 motorcycles. However, we will also consider other exceptional vehicles outside these categories on a case-by-case basis. Vehicles do not need to be fully restored to qualify; however, unrestored vehicles must carry a unique story with them. This year's automobiles will be formally judged (motorcycles will be in exhibition only); our distinguished panel of judges will be presenting several special awards in addition to Best of Show and People's Choice. Following are our 2010 categories:

Windy City Wonders: We are searching out sampling of vehicles with a Chicago history-related story. Was your vehicle produced in Chicago? Was it owned by a prominent Chicago family? Did it play an important role in Chicago's history from the late 1800s to the middle of the 20th century?

Exceptional Use of Color: We will also be selecting an interesting selection of automobiles that show a spectacular use of color, focusing on two-toned color schemes (tri-tone, vinyl tops, wood paneling, etc.).

Other Exceptional Vehicles: On a case-by-case basis, we will accept other exceptional vehicles that may not fit directly into the above categories.

Rare Racing Bikes: We are looking for a spectacular showing of up to 10 rare racing motorcycles, such as early road racers with historic significance, flat-track, hill or road racing bikes.

Carriages: We will once again be displaying unique carriages with an interesting history from the late 19th century. They can be in original or restored condition.
